The injured person shall submit to physical examination by physicians selected by us when and as often as we may reasonably require. We may pay the injured person or any person or organization rendering the services and the payment shall reduce the amount payable for such injury. Payment shall not constitute an admission of liability by any person or by us.

F. HOW MUCH WE PAY FOR LOSS OR CLAIM
For the purpose of determining our limit of liability, all bodily injury and/or property damage arising out of continuous or repeated exposure to substantially the same general condition(s) shall be considered as arising out of one occurrence.

1. The limit of liability stated on the Declarations page, the Supplemental Declarations page or attached endorsements and the conditions set forth below fix the maximum amounts we will pay for loss regardless of the number of:
   a. persons insured under this policy;
   b. persons or organizations who sustain bodily injury and/or property damage; or
   c. claims made or suits brought.

2. The Each Occurrence limit, subject to the aggregate limit of liability, is the most we pay for the total of:
   a. damages under Coverages L and P; and
   b. medical expenses under Coverage M;
   due to all bodily injury and/or property damage arising out of a single occurrence.

3. The Products/Completed Operations each Occurrence limit, subject to the Products/Completed Operations aggregate limit of liability, is the most we will pay for the total of damages under Coverage N due to all bodily injury and/or property damage arising out of a single occurrence.

4. The policy period shown on the Declarations page, the Supplemental Declarations page or other endorsements added to this policy may be for a period of one year or longer. HOWEVER, for the purpose of determining any or all aggregate limits of liability described in this section, or in endorsements attached to this policy, policy period means a one year period beginning with the inception date of the policy (and for each subsequent one year period if applicable).

5. These agreements are extended to include an increase in the aggregate limit of liability in proportion to any policy extension whether required by the issuance of a late or incomplete conditional renewal notice, late non-renewal notice or other reason. The aggregate limit of liability is the most we will pay during a policy period for the sum of:
   a. all damages under Coverage L and P;
   b. all medical expenses under Coverage M.

6. The Products/Completed Operations Hazard aggregate limit of liability is the most we will pay during a policy period under Coverage N for damages due to injury or damage included under the Products/Completed Operations Hazard.

7. Subject to the aggregate limit of liability and the Each Occurrence limit, our limit of liability for property damage covered under Coverage O-Fire Legal Liability is $50,000 for each occurrence unless otherwise indicated on the Declarations page, the Supplemental Declarations page or an endorsement attached to this policy.

8. Under Coverage M Medical Payments, the limit of liability stated on the Declarations page or Supplemental Declarations page as applicable to each person is the limit of our liability for all medical expenses for bodily injury to any one person as the result of any one accident. Our total liability for all medical expenses for bodily injury to two or more persons as the result of any one accident will not exceed the limit of liability stated on the Declarations page or Supplemental Declarations page as applicable to each accident.

9. The aggregate limit of liability and the aggregate limit shown for Products/Completed Operations apply separately to each consecutive 12-month period beginning with the inception date of the General Liability Coverage shown on the Declarations page, the Supplemental Declarations page or attached endorsements. The aggregate limits apply separately to any remaining policy period of less than twelve months, unless the General Liability coverage has been extended after it was written. In that case, the additional period will be considered part of the last preceding period for the purpose of determining limits.

10. Insurance Under More Than One Policy.
   a. insurance under this General Liability Coverage is primary except as provided under paragraph 10c. below, or unless otherwise stated in this policy. The amount of our liability is not reduced because of other insurance which applies to the loss on an excess basis.
   b. if the other insurance is also primary, we will share in the loss as follows:
      1) If the other insurance provides for contribution by equal shares, we will pay equal amounts with other insurers until:
         a) the lowest applicable limit under any one policy is reached; or
         b) the full amount of the loss is paid. If part of the loss remains unpaid, we will pay an equal share with the other insurers until the full amount of the loss is paid, or until we have paid our limit of liability in full.
      2) If the other insurance does not provide for contribution by equal shares, we will pay that proportion of the loss to which our applicable limit under this policy bears to the total applicable limit for all insurance covering the loss.
   c. insurance under this General Liability Coverage is excess over any other insurance:
1) if the other insurance, whether primary, excess, contingent or on any basis, provides:
   a) fire, extended coverage, builders' risk, installation risk or similar coverage for your work; or
   b) fire insurance for the premises rented to you; or
2) if the other insurance applies to any loss arising out of the maintenance or use of aircraft, autos or
   watercraft which may be covered by this policy.

   d. When this insurance is excess over any other insurance:
      1) we will have no duty to defend any claim or suit that any other insurer has a duty to defend. If no other
         insurer defends, we will do so. However, we will be entitled to the insured’s rights against all those
         other insurers.
      2) we will pay our share of the amount of loss, if any, that exceeds the sum of:
         a) the total amount that all such other insurance would pay for the loss in the absence of this
             insurance; and
         b) the total of all deductibles and self-insured amounts required by such other insurance.
         We will share the remaining loss with any other insurance that is not described in this excess insurance
         provision and that does not specifically apply in excess of the limits of insurance shown on the
         Declarations page, the Supplemental Declarations page or attached endorsements of this General
         Liability Coverage.

   G. PAYMENT OF LOSS OR CLAIM
   Any person, who has secured a judgment against an insured for a covered loss or has liability established by a
   written agreement between the claimant, an insured and us, is entitled to recover under this policy to the extent of
   the coverage provided.

   H. POLICY CONDITIONS
   In addition to the policy terms which are contained in other sections of this policy, the following conditions also
   apply:
   1. Assignment-Assignment of this policy is not valid without our written consent.
   2. Cancellation.
      a. by You-You may cancel this policy at any time by giving us written notice or returning the policy to us and
         stating when thereafter the cancellation is to be effective.
      b. by Us-We may cancel this policy by written notice delivered to or mailed to you at the address shown in the
         policy (and to your authorized agent or broker if required). Proof of delivery or mailing is sufficient proof
         of notice. This notice must be delivered or mailed the required number of days prior to the effective date of
         the cancellation. For a description of the number of days of required notice, refer to: (1) Nonpayment of
         Premium, (2) New Policy or (3) All Other Situations.
      c. When We May Cancel-We may cancel this policy under the following conditions:
         1) Nonpayment of Premium-If the premium has not been paid when due, we may cancel at any time by
            delivering or mailing to you the required notice at least fifteen days before cancellation is effective. A
            payment by you to the insurer, or to a broker or agent authorized to receive such payment, shall be
            considered timely if made within fifteen days after mailing to you of a notice of cancellation for
            nonpayment of premium.
         2) New Policy-If this is a new policy which has been in effect less than sixty days, we may cancel for
            any reason by delivering or mailing the required notice to the first named insured at the mailing address
            shown in the policy at least twenty days before cancellation is effective. If upon review during this
            time period, we find that a statutory provision/provisions for cancellation applies, we may cancel
            this policy by written notice to the first named insured at the mailing address shown in the
            policy at least fifteen days before cancellation is effective.
         3) All Other Situations-After a covered policy has been in effect for sixty days, or upon the effective
            date if such policy is a renewal, no notice of cancellation shall become effective until fifteen days after
            notice is delivered or mailed to the insured and such cancellation is based on one or more of the
            following statutory provisions:
            a. nonpayment of premium;
            b. conviction of a crime arising out of acts increasing the hazard insured against;
            c. discovery of fraud or misrepresentation in the obtaining of the policy or in the presentation of a
               claim thereunder;
            d. after issuance of the policy or after the last renewal date, discovery of an act or omission, or a
               violation of any policy condition, that substantially or materially increases the hazard insured
               against and which occurred subsequent to inception of the current policy period;
            e. material physical change in the property insured, occurring after issuance or last annual renewal
               anniversary date of the policy, which results in the property becoming uninsurable in accordance
               with the insurer’s objective, uniformly applied underwriting standards in effect at the time the
policy was issued or last renewed; or material change in the nature or extent of the risk, occurring after issuance or last renewal anniversary date of the policy, which causes the risk of loss to be substantially and materially increased beyond that contemplated at the time the policy was issued or last renewed;

f. required pursuant to a determination by the superintendent that continuation of the present premium volume of the insurer would jeopardize that insurer's solvency or be hazardous to the interests of policyholders of the insurer, its creditors or the public;

g. a determination by the superintendent that the continuation of the policy would violate or would place the insurer in violation of the law;

h. where the insurer has reason to believe, in good faith and with sufficient cause, that there is a probable risk or danger that the insured will destroy, or permit to be destroyed, the insured property for the purpose of collecting the insurance proceeds, provided, however, that:

1) a notice of cancellation on this ground shall inform the insured in plain language that the insured must act within ten days if review by the Insurance Department of the ground for cancellation is desired pursuant to item 3) of this subparagraph h.; and

2) notice of cancellation on this ground shall be provided simultaneously by the insurer to the Insurance Department; and

3) upon written request of the insured made to the department within ten days from the insured’s receipt of notice of cancellation on this ground, the Insurance Department shall undertake a review of the ground for cancellation to determine whether or not the insurer has satisfied the criteria for cancellation specified in this subparagraph; if after such review the department finds no sufficient cause for cancellation on this ground, the notice of cancellation on this ground shall be deemed null and void.

i. with respect to professional liability insurance policies, revocation or suspension of the insured’s license to practice his/her profession or, if the insured is a hospital, it no longer possesses a valid operating certificate under applicable law.

d. We refund the premium for the unexpired policy period on a pro rata basis.

e. Refund of Premium—Payment or tender of unearned premium is not a condition of cancellation. If the unearned premium is not refunded with the cancellation notice, it will be sent to you within a reasonable time.

f. Loss Notice—The company must advise the first named insured that he/she is entitled to loss information upon written request.

g. Conditional Reinstatement—If we issue a cancellation notice because you didn’t pay the required premium when due and you then tender payment by check, draft or other remittance which is not honored on presentation, your policy will terminate on the date and time shown on the cancellation notice and notice we issue which waives the cancellation or reinstates the policy is void. This means we will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice. We will give you notice of the dishonor of your remittance as soon as practicable but this shall not interrupt the cancellation of this policy.

3. Renewal/Nonrenewal.

a. Nonrenewal—We may elect not to renew or continue this policy by delivering or mailing to you and your authorized agent or broker written notice of our intent not to renew.

1) Such notice must:

a) be given at least sixty but not more than one hundred twenty days in advance of the end of the required policy period.

b) state our specific reason(s) for nonrenewal.

c) be delivered or mailed to you at the address shown in the policy and to your authorized agent or broker. Proof of delivery or mailing is sufficient proof of notice.

d) Loss Notice—The company must advise the first named insured that he/she is entitled to loss information upon written request.

e) requirements for nonrenewal shall not apply if the named insured, or an agent or broker authorized by the named insured, or another insurer of the named insured has delivered or mailed written notice that the policy has been replaced or is no longer desired.

2) Prior to the expiration date of this policy, in the event that a late nonrenewal notice is provided by the insurer, the coverage under this policy shall remain in effect:

a) at the same terms and conditions contained in the expiring policy; and

b) at the lower of the current rates or at the prior period's rates until sixty days after the notice is delivered or mailed unless the insured elects to cancel sooner.

3) In the event that a timely and substantially complete notice is not provided by the insurer prior to the expiration date of the policy, coverage shall remain in effect:
a) on the same terms and conditions of the expiring policy;
b) for another required policy period, and
c) at the lower of the current rates or the prior period's rates.

However, if the insurer has established the standards and procedures required by the law relating to
notice requirements and the failure to comply with these standards and procedures is a result of
inadvertence or clerical mistake, then the rates applicable to the remainder of the additional required
policy period shall be the insurer's current rates at the terms and conditions of the expiring policy.

4) The issuance of a late or incomplete nonrenewal notice by the insurer shall not create a new annual
aggregate liability limit (if any) for the covered policy, except that the annual aggregate limit of the
expiring policy shall be increased in proportion to the policy extension, including any additional required
policy period, caused by the late or incomplete notice of nonrenewal.

5) If the insurer provides a timely notice of nonrenewal and thereafter the insurer extends the policy for
ninety days or less, an additional notice of nonrenewal is not required with respect to the extension
period.

b. Conditional Renewal-We may elect to renew or continue this policy under certain conditions. We may do
so by delivering or mailing to you and your authorized agent or broker written notice.

1) This notice must:
   a) be delivered or mailed to you at least sixty but not more than one hundred twenty days in advance
      of the end of the required policy period;
   b) contain specific reason(s) for the conditional renewal;
   c) set forth the amount of any premium change if the increase is in excess of 10% unless the increase
      is due to increased insured values and/or increased coverage or is due to experience rating,
      retrospective rating or audit;
   d) set forth the nature of any proposed change(s) in the policy such as change(s) in limits, change(s)
      in type(s) of coverage(s), reduction(s) in coverage(s), increased deductible or the addition of an
      exclusion or exclusions;
   e) be delivered or mailed to the named insured at the address listed in the policy and to an authorized
      agent or broker of the insured. Proof of delivery or mailing is sufficient proof of notice; and
   f) include a statement advising the first named insured that upon written request the company will
      provide loss information.

2) Prior to the expiration date of the policy, in the event that an incomplete or late conditional renewal
notice is provided by the insurer, the coverage under this policy shall remain in effect at:
   a) the same terms and conditions of the expiring policy, and
   b) the lower of the current rates or the prior period's rates
      until sixty days after the notice is delivered or mailed unless the insured elects to cancel sooner.

However, if the insured elects to accept the terms, conditions and rates of the conditional renewal
notice and renews the policy on that basis, then such terms, conditions and rates shall govern the
policy upon expiration of such sixty-day period.

3) In the event that a timely and substantially complete conditional renewal notice is not provided by the
insurer prior to the expiration date of the policy, then coverage under the policy:
   a) remains in effect for an additional required policy period;
   b) remains at the same terms and conditions as the expiring policy; and
   c) the rates for the additional policy period will be the lower of the current rates or the previous
      period's rates.

However, if the insurer has established the standards and procedures required by law relating to notice
requirements, and the failure to comply with these standards and procedures is a result of inadvertence
or clerical mistake, then the rates applicable to the remainder of the additional required policy period
shall be the insured's current rates at the terms and conditions of the expiring policy.

4) The issuance of a late or incomplete conditional renewal notice by the insurer shall not create a new
annual aggregate limit (if any) for the covered policy, except that the annual aggregate limit of the
expiring policy shall be increased in proportion to the policy extensions including any additional required
policy period, caused by the late or incomplete conditional renewal notice.

However, if the insured accepts the terms of a conditional renewal offer, a new annual aggregate shall
become effective as of the inception date of the renewal.

c. Alternate Renewal Notice Procedure-During the period of time the insurer is assessing its option(s) as
to whether to nonrenew or conditionally renew a policy, the insurer must notify the insured and his/her
authorized agent or broker.

This notice must contain the following:

1) The notice must be delivered or mailed at least sixty days prior to the expiration date of the policy;
2) The notice must be delivered or mailed to the **named insured** at the address in the policy and to an authorized agent or broker of the **insured**;

3) The notice must advise the **insured** that the policy will be either nonrenewed or renewed at different **terms**, conditions or rates;

4) The notice must advise the **insured** that a **SECOND NOTICE** will be sent at a later date;

5) The notice must advise the **insured** that coverage will continue at the same **terms**, conditions and rates until the later of:
   a) the expiration date, or
   b) 60 days after the **SECOND NOTICE** is delivered or mailed.

6) The **SECOND NOTICE** sent to the **insured** must advise the **insured**:
   a) of the specific reason or reasons for **nonrenewal** or conditional **renewal**; and
   b) of the amount of any premium increase if the increase is in excess of 10% and the nature of any other proposed changes.

7) The **SECOND NOTICE** must advise the first **named insured** that he/she is entitled to loss information upon written request.

8) If a substantially complete **SECOND NOTICE** is not delivered or mailed until after the expiration date of the policy, the **insured** is entitled to coverage under the policy:
   a) for an additional **required policy period**;
   b) at the same **terms** and conditions as the existing policy; and
   c) at the lower of the current rates or the rates of the previous period.

   However, if the insurer has established the standards and procedures required by law relating to notice requirements and the failure to comply with these standards and procedures is a result of inadvertence or clerical mistake, then the rates applicable to the remainder of the additional **required policy period** shall be the **insured's** current rates at the **terms** and conditions of the expiring policy.

9) No notice is necessary if the insurer receives a written notice from the **insured**, his/her authorized agent or broker, or another insurer that the policy is no longer desired or has been replaced.

**d. Policies Written For A Term Of Less Than One Year**-For policies issued to an **insured** for a seasonal purpose or to a policy issued to cover a particular project that will be performed in less than one year, the following provisions apply:

1) During the first sixty days such policy is in effect, no cancellation shall become effective until twenty days after written notice is delivered or mailed to the **insured** at the mailing address shown in the policy;

2) After a policy has been in effect for sixty days, no notice of cancellation shall become effective until fifteen days after notice is delivered or mailed and such cancellation is based on one or more of the statutory provisions set forth in this form.

3) After a policy has been in effect for sixty days, no premium increase for the term of the policy shall be made to become effective unless due to and commensurate with insured value added, subsequent to issuance pursuant to the policy or at the **insured's** request.

4. **Change, Modification, or Waiver of Policy Terms**-A waiver or change of any **terms** of this policy must be issued by **us** in writing to be valid.
