HURRICANE RESISTANT GLASS ENDORSEMENT

Refer to Supplemental Declarations if information is not shown on this form.
In return for a rate credit, the coverage under this endorsement is subject to the ***terms*** contained in the General Policy Provisions.

WHAT *WE* PAY FOR
Those ***residences*** equipped with conforming hurricane resistant laminated glass windows and doors, as defined in this endorsement, will be entitled to a rate credit as shown in the manual.

ADDITIONAL DEFINITIONS
Hurricane resistant glass is defined as follows:
Hurricane resistant glass is laminated glass installed in accordance with manufacturers specifications in all exterior wall openings. The hurricane resistant glass must be designed to withstand external pressure and wind borne debris from a storm with sustained winds of at least 110 miles per hour or a storm surge of at least 8 feet above normal.
