LS-25A Additional Insured – State Or Political Subdivision

Definitions

- Clarification: 1.a. and 1.b. were moved from 1.a. and 1.b. in the How Much We Pay For Loss Or Claim Section

What We Do Not Pay For

- Restriction: New section.

LS-26 Explosion, Collapse Or Underground Property Damage

- Clarification, the changes to this form are editorial. All of the wording in the prior form that was removed is contained in the definitions for those terms in the base forms (LS-1, 3, 4, 5, 6), so there was not a need to restate them in the LS-26. In the prior series, the base forms did not all contain the definitions for those terms so it needed to also be in the LS-26.

LS-27 Products Liability for Designated Operations

- All changes are clarifications only.

LS-28 Camps

- Clarification - The definitions were deleted as unnecessary and to be consistent with the new format since the term named insured is no longer used (now insured) and saddle animals is no longer defined as the reference is to the common meaning of saddle animals.

LS-43 Coverage N-Products/Completed Operations For Use With LS-1 Or LS-3

Introductory Material

- Clarification: Policy No. and Named Insured removed.

What We Pay For

- Clarification: The grant of coverage has been expanded to state specifically what is covered, bodily injury or property damage arising out of the products/completed operations hazard. Previously, the form stated that the principal coverages are extended to include the following hazard(s) which are marked by an "X". Additionally, the liability base forms LS-1 and LS-3 this endorsement will be used with, contain the definition for products/completed operations hazard, so this language was not repeated in the grant of coverage.
- Clarification: Products hazards and completed operations hazard were each previously offered as an option, they are now both included as Coverage N.

What We Do Not Pay For

- Clarification: The two separate What We Do Not Pay For sections have been combined into one.
- Clarification: The new form deletes the Property Damage exclusion and replaces it with one that deletes part 5). Under the previous edition of the URB's LS program the similar exclusion contained in the General Liability Coverage for property damage, part e) stated specifically that it did not apply to property damage included in the products/completed operations hazard.
- Clarification: The prior exclusion under the products hazard portion is not needed because it is already included in the What We Do Not Pay For section of Coverage L in the General Liability Coverage as the Recall exclusion.
- Clarification: The prior exclusion under the completed operations hazard portion is not needed because it is already included in the definition for products/completed operations hazard in the General Liability Coverage.
