Old Language	New Language	Explanation of Proposed Changes	Impact
Property Section **(When Applicable)** **What *we* do not pay for:** ***We*** do not pay for loss or damage caused directly or indirectly by the inability or incapacity of any **hardware**, **software** or **media**, owned or used by ***you***, to correctly record, interpret or process data or information dated in the years 1999, 2000 and beyond. Such loss or damage is excluded without regard to any other cause or event that contributes concurrently or in any sequence to the loss. This endorsement does not exclude any loss that would otherwise be covered. **Definitions** These definitions apply to this endorsement: 1. **Hardware** means machinery and/or apparatus, including but not limited to, computer equipment or other electronic devices capable of storing, retrieving, processing, disseminating or printing information. 2. **Software** means programs or data containing the facts, concepts or instructions which are in a form usable by computers and/or other electronic equipment, whether purchased commercially or custom made. 3. **Media** means the material on which the information is recorded or stored and it includes, but is not limited to, magnetic tapes, hard discs or floppy discs. It does not include information recorded on the **media**. **Liability Section** **(When Applicable)** **What *we* do not pay for:** The **EXCLUSIONS** section of ***your*** policy is amended by the following addition: ***We*** do not pay for loss caused directly or indirectly by ***bodily injury***, ***property damage*** or ***personal injury*** resulting from any failure of any hardware, software or media to correctly record, interpret or process data or information dated in the years 1999, 2000 and beyond. Such injury or damage is excluded without regard to any other cause or event that contributes concurrently or in any sequence to the loss.	**DEFINITIONS** The following definition applies to this policy form: 1. ***Computer hardware*** means machinery or equipment that is programmable or used to store, process and retrieve data, including any component parts and related peripheral equipment that provides for data transmission or printing. **PROPERTY COVERAGE EXCLUSION** When Commercial Property Coverage is contained in ***your*** policy, ***we*** do not pay for: 1. Loss or damage caused directly or indirectly by the inability or incapacity of any ***computer hardware***, ***electronic data*** or ***media***, owned or used by ***you***, to correctly record, interpret or process data or information dated in the years 1999, 2000 and beyond. Such loss or damage is excluded without regard to any other cause or event that contributes concurrently or in any sequence to the loss. **GENERAL LIABILITY COVERAGE EXCLUSION** When General Liability Coverage is contained in ***your*** policy, ***we*** do not pay for: 1. ***Bodily injury***, ***property damage*** or ***personal injury*** resulting from any failure of any ***computer hardware***, ***electronic data*** or ***media*** to correctly record, interpret or process data or information dated in the years 1999, 2000 and beyond. Such ***bodily injury***, ***property damage*** or ***personal injury*** is excluded without regard to any other cause or event that contributes concurrently or in any sequence to the loss.	1. Language updated, but no change in coverage. 2. Computer hardware definition added to replace hardware. Electronic data and media from the SF-20 replace software and media from this form consistent with the format of the policy series. 3. What We Do Not Pay For became Property Coverage Exclusion. 4. Liability Section became General Liability Coverage Exclusion.	1. Clarification 2. Clarification 3. Clarification 4. Clarification
